## EXPERIENCE

### Associate Software Engineer

Robert Bosch Engineering and Business Solutions Private Limited

06/2022 - 03/2025

- Developed scalable applications, boosting performance by 30%
- Collaborated in agile teams, enhancing project delivery speed by 25%
- Implemented innovative solutions, reducing bugs by 40% in production
- Optimized codebase, leading to a 20% decrease in load times
- Contributed to user-friendly interfaces, improving user satisfaction ratings
- Automated testing processes, increasing efficiency by 35%
- Mentored junior developers, fostering a culture of continuous learning
- Achieved project milestones ahead of schedule, driving client satisfaction

### Project Trainee

Robert Bosch Engineering and Business Solutions Private Limited

01/2022 - 05/2022

- Gained hands-on experience in project management methodologies
- Collaborated with cross-functional teams to drive project success
- Enhanced problem-solving skills through real-world project challenges
- Developed effective communication strategies for stakeholder engagement
- Built a strong professional network within the industry for future opportunities
- Learned to adapt quickly to changing project requirements and priorities

## SKILLS

|                                  |                    |                    |                        |
|----------------------------------|--------------------|--------------------|------------------------|
| Python                           | Java               | Automations        | Java Selenium          |
| Manual Testing                   | Automation Testing | SQL                | Reporting              |
| JIRA                             | Confluence         | Visio              | Draw.io                |
| Trello                           | Microsoft Planner  | OneNote            | Microsoft Office Suite |
| Microsoft Outlook & Teams        | Git                | GitHub & Bitbucket |                        |
| SharePoint & OneDrive            | Power BI           | Lucidchart         |                        |
| Microsoft Forms                  | Excel              | Notepad++          |                        |
| PowerShell Script & Batch Script |                    |                    |                        |

## SUMMARY

As an enthusiastic and dedicated Associate Software Engineer and Project Trainee, I am eager to contribute my skills in software development and problem-solving to your dynamic team. My passion for technology and commitment to continuous learning drive me to excel in collaborative environments. I am excited about the opportunity to innovate and grow alongside talented professionals, making a meaningful impact on projects that shape the future of software solutions

## KEY ACHIEVEMENTS

### Agile Collaboration

Increased project delivery speed by 25% through agile collaboration.

### Performance Boost

Boosted application performance by 30% through scalable solutions.

### Bug Reduction

Reduced production bugs by 40% with innovative solutions.

### Load Time Optimization

Decreased load times by 20% through codebase optimization.

## EDUCATION

### Bachelor of Engineering

The National Institute of Engineering, India

GPA

8.93 / 10.00

2018 - 2022

- Completed a capstone project on renewable energy
- Received the Dean's List award for three consecutive years

### Master of Information Technology (Software Engineering)

Charles Darwin University

2025 - 2027    Darwin
